

Extract
the Spots,
Preserve
the Carpet

CAPACITY FOR LARGER AREAS, COMPACT ENOUGH FOR SMALLER ONES

Cleaning carpets in commercial environments is always a challenge. NaceCare's AVB 12QX's is a battery-powered, self-contained extractor that is easy to operate and maneuver. It's encapsulation cleaning provides a fast-drying, low-moisture interim carpet cleaning or a restorative deep cleaning that cleans any type of carpet effectively, without extensive periods of downtime.

At 60 decibels, it's great for daytime cleaning or cleaning noise sensitive areas. It's ideal for facilities such as casinos, hotels, convention centers, and airports.

The optional squeegee and brush change (if necessary) sets it up for hard floor cleaning, making the AVB 12QX the most versatile extractor on the market today.

- Improve Indoor Air Quality
- Extend Carpet Life
- Maintain Carpet Appearance
