## **RESTORATIVE**

## Tempest® Box Extractors Our Tempest box extractors are lightweight and easy to

transport. Constructed of rugged polyethylene, the upper and lower tanks detach into two separate units for easier transport.

The TP 18SX is a premium extractor featuring a 130 psi pump with 1.2 gpm of water flow. The 18 gallon polyethylene tanks are designed to clean large areas and it comes complete with a 20' solution/vacuum hose and three-jet wand.
