

GREATER RUN-TIME, MORE VERSATILITY AND ENHANCED PRODUCTIVITY

The CRL 2128/100T with its cutting-edge NX1K lithium phosphate battery, delivers even greater run-time. The ability to charge it anytime enhances productivity by making it available for use whenever you need it. With a 28" cleaning path, the CRL 2128/100T has the maneuverability of a walk-behind and will go into places where bigger machines are not suitable and anything smaller is just too small.
