

# JS I600C

## Commercial Power Steamer

The power of steam attacks grease, grime, hard water deposits and mold. It leaves surfaces clean and sanitized without the use of chemicals. Operator safety is assured by the 12V waterproof switches and controls, a pressure switch, a high-limit thermal shutoff and an LED display informing the operator when the water level is low. The Energy saving safety system also automatically shuts off the machine if it's idle for 60 minutes.

### Key Features

- The tank can be filled while the unit is running, allowing for continuous use
- Excellent on grouted floors, showers, kitchens and any area where detail cleaning is a challenge
- Very effective in all food preparation and processing areas, including stainless steel range hoods in kitchens
- Ideal for hotel rooms - spot draperies, bedspreads and carpets, and even kill bed bugs and their eggs on mattresses
- Clean floors with the optional "steam mop" and 33' hose
- The continuous flow system provides the necessary steam to remove dirt and built-up soil while leaving your floors and surfaces virtually dry

**TIME** Saver

**SOIL** Removal

**KILLS** Bed Bug

#### MODEL

#### JET STEAM I600C

|                 |                |
|-----------------|----------------|
| Boiler Size     | 0.3 gal.       |
| Boiler Capacity | 1 gal.         |
| Water Reservoir | 1 gal.         |
| Total Power     | 1,500 W, 120 V |
| Steam Pressure  | 115 psi        |

*Shown with optional cart*

*Optional steam mop*

**Jet Steam I600C**

|                   |                |
|-------------------|----------------|
| Steam Temperature | 338° F         |
| Power Cord        | 8'             |
| Weight            | 12 lb          |
| Total Power       | 1,500 W, 120 V |
