

Compact, Comfortable, Powerful

RSV 150/150H
ELECTRIC BACKPACK VACUUMS

HIGH PERFORMANCE

- Energy efficient 2250-hour motor (2x the motor life of most units on the market) and backed by a 5-year warranty.
- More suction, more airflow, and overall power for faster cleaning and better results.

WHAT GOES IN, STAYS IN

- HepaFlo Bags with innovative self-seal tab lock all the dust in the bag, allowing for easy, clean and hygienic emptying.
- Better filtration creates better IAQ, improving health and safety for users and building occupants.

QUICKER CLEANING

- 6 quart capacity and extra-long 50' cord means less stopping to unplug.
- Handy tool storage for quick access to accessories.

ULTIMATE USER COMFORT

- Ergonomically designed to reduce fatigue.
- Height adjustable harness.
- Excellent lower-back support.

CORD MANAGEMENT

- Quick change “plug & go” cord with heavy duty cord restraint for long term cord life.

TOOL CHOICES

- Clean carpets or hard-floors with one tool or switch between traditional tools and high performance sidewinder tools by simply swapping out a wand section.

RSV 150/150H ELECTRIC BACKPACK VACUUMS

Mobility Matters

THE PERFECT BALANCE BETWEEN PRODUCTIVITY & COMFORT WITH OUR OPTIMUM USER COMFORT PRO HARNESS

The RSV 150 is ergonomically designed to reduce fatigue. It has a height adjustable harness (no tools required), a breathable mesh panel, handy onboard tool storage for accessories, and a power control.

OUR BACKPACK VACUUMS MAKE CLEANING FAST, EASY, AND COMFORTABLE

The RSV 150 electric backpacks are compact, convenient, lightweight, and provide optimum user-comfort and performance while delivering exceptional productivity. They can clean any type of flooring, edges, and corners, as well as anything above the floor. They are designed to have superior suction, airflow, and overall power for faster cleaning and better results.

- New Slimline Ergonomic Design
- Lightweight User-comfort
- Extended Cleaning Reach

Triple-layer HepaFlo Filter Bag

Advanced, 3-stage filtration system cleans and traps fine dust, including allergy triggers and pathogens, eliminating the risk of recirculation and exposure.

TriTex Filter

Traps fine dust within its high-efficiency, triple-layer membrane.

HEPA13 Filter Cartridge

Certified HEPA13 filtration down to 0.3 microns at 99.97% efficiency. The most advanced filtration in our commercial vacuum series.
