

WHY NACECARE? HOSPITALITY EDITION

“Beyond Clean. Built
for the Bottom Line”

DISCOVER THE NACECARE DIFFERENCE

Engineered for Hospitality

Purpose-built for cleaning professionals, with ergonomic designs, fast-change batteries, and ultra-compact models.

Proven Performance

Trusted by some of the world's largest hotel brands.

From Quick Clicks to Real-Time Fixes

With video training, multilingual QR-code support, and a nationwide service network, your team is always supported.

Lower Operational Cost

Durability drives less downtime and higher productivity.

THE ROOM-BY-ROOM ADVANTAGE

Smart Tools for Every Surface,
Every Staff Member, Every Shift.

Adapts to Any Guest Room

From tile and carpet to vinyl flooring and upholstered surfaces, today's hotel rooms require **versatile solutions**. NaceCare's multi-surface vacuums and micro scrubbers clean it all—**reducing the need** for multiple machines on each cart.

Housekeeping Under Pressure

With many housekeepers paid per room, speed is essential—but **not at the expense of quality**. Our cordless, lightweight, and compact machines **help teams clean faster** with less fatigue—especially under beds, around tight furniture, and across multiple surfaces.

Defend Against Bed Bugs

Our HEPA vacuums and specialty steamers **effectively** remove dust, debris, and early-stage pest **threats**—providing an essential **first line of defense** against bed bugs.

Built for Tight Spaces

With most models under 20 inches **wide**, our equipment is **purpose-built** for tight spaces, allowing for efficient cleaning around beds, **nightstands**, and furniture-dense areas.

Clean That Guests Notice

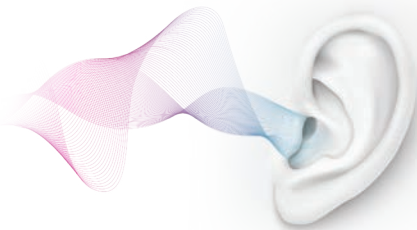

Guests **notice the details**. That's why our machines provide hospital-grade filtration and visibly **superior results**—because even a single stray hair can affect a **guest's perception of cleanliness**.

SOLUTIONS FOR LARGE-SCALE HOSPITALITY

From Lobbies to Ballrooms—
Clean More, Faster.

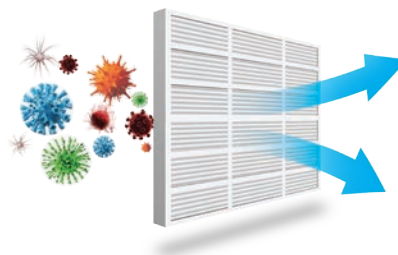

For resorts, casinos, and convention centers, NaceCare delivers high-productivity extractors and scrubbers that handle large spaces—without sacrificing maneuverability, quiet operation, or energy efficiency.

OUR EQUIPMENT FEATURES:

Low Noise Levels

for guest-friendly, disturbance
free daytime cleaning

Advanced Filtration

for improved air quality while minimizing
dust and driving labor savings

Advanced Technology Batteries

with a four-year warranty and extended run
time, creating long-term value

Energy Efficient

for environmental friendliness

RESTAURANTS: CLEANED RIGHT, FRONT TO BACK

When Clean Is Your
Brand, Trust the
Tools Behind It.

In restaurants, speed and consistency are everything—especially when staff are the ones doing the cleaning. NaceCare's compact, easy-to-use machines help maintain high standards with minimal effort.

Front of House

Quiet, discreet tools for touch-ups during service and quick resets between shifts.

Back of House

Tough, grease-resistant scrubbers and wet vacs tackle spills, grout, and slick tile.

Franchise Operators

Cost-effective upgrades from mops and buckets, ideal for owners managing tight capital budgets.

Why NaceCare?

In hospitality, **first impressions are everything**. A spotless room, a shining lobby, or a freshly cleaned restroom can instantly **shape a guest's experience**. At NaceCare, we specialize in compact, high-performance cleaning solutions designed for high-traffic, space-constrained environments. Whether it's a boutique hotel, a busy convention center, or a restaurant, our equipment ensures your floors, carpets, and upholstery make the right impression—every time.

At NaceCare, we design durable, efficient products that reduce waste and conserve resources. Our commitment to sustainability extends through every solution and the support we provide.
