

BIG POWER IN COMPACT FORM.

220NX / 440NX FLEX / 440NX

NACECARE™
SOLUTIONS

Beyond Clean.

POWER DRIVING PRODUCTIVITY

NX300 Pro Cordless Network delivers professional level performance to a versatile and expanding range. Quicker, safer and more convenient, switching to Pro Cordless raises productivity levels, saving time and money.

POWER THE ENTIRE FLEET WITH THE NX300 PRO CORDLESS NETWORK

- Enhanced Energy Storage
- One Fits All Productivity
- Cost Effective
- 1-Hour Fast Charge

Smart Safe Charge System

Built-in battery status and health check safety system. The internal system monitors multiple parameters, ensuring battery safety.

Integrated Handle

Fast, easy quick change batteries across all equipment in the NX300 network.

Maximum Energy Deployment

Delivering power from cell to machine with minimum power loss via high-quality welded nickel power rails.

Integrated Heatsink Casing

Quickly and efficiently cools the pack in use, optimizing delivery of power.

Integrated Cooling Design

Keeping cool allows maximum power delivery; the clever NX300 pack design eliminates air pockets acting as an insulation, transmitting heat directly out of the pack.

MORE TIME TO CLEAN

LOWER MAINTENANCE

NO CABLE TRIPS

LOWER NOISE

LOWER ENERGY COST

SMALL SIZE BIG PAYBACK

Switching to a 220NX for just 30 minutes a day instead of mopping enables big savings.

The 220NX delivers the performance of a much larger scrubber in an ultra-compact package. It can access areas currently cleaned by mopping alone; bringing improved results and savings on labor costs.

Designed and built to deliver durable quality with affordability, the 220NX provides unparalleled value without compromising performance.

HIGHLIGHTS

- Designed for Demanding Commercial Use
- Replace Mopping in Hard-to-Reach, Congested Areas
- Save over 5000L of Water & 80% Chemical Reduction
- Made Using 30% Recycled Plastic
- NX300 Pro Cordless Network

SPECIFICATIONS

Runtime	Up to 120 mins
Cleaning Path	8.7"
Tank Capacity	0.26 gal.
Recovery Capacity	0.4 gal.
Charge Time	1hr-80%
Motor	100 W
Brush Speed	140 rpm

The 220NX turns 360 degrees, in any direction, on a single point, giving it the agility and maneuverability to access areas other machines cannot.

LIGHTER, EFFORTLESS HANDLING

The 440 NX Flex incorporates FlexCore Technology to bring you 440NX to the next level. This machine is 25% lighter, has effortless handling and extra flexibility in high congestion, hard to clean compact areas.

HIGHLIGHTS

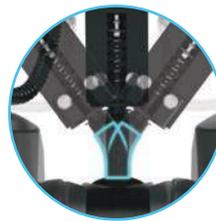

- One-Pass Performance
- 25% Lighter Handling
- Perfect for Compact Congested Areas
- 1-Hour Fast Charge
- Made Using 20% Recycled Plastic
- NX300 Pro Cordless Network

SPECIFICATIONS

Runtime	Up to 80 mins
Tank Capacity	0.6 gal.
Recovery Tank	0.8 gal.
Charge Time	1hr-80%
Motor	100 W
Brush Speed	140 rpm

FLEXCORE
Technology

- Flexible Handling System
- 25% Lighter Handling
- Lower Maintenance
- Reduce Operator Strain

Introducing FlexCore Technology, replacing traditional pivot mechanisms. A high-strength flexible core, supported by a multi-layered, robust outer sheath, delivering optimum torque transfer when in use. This design eliminates bearings and dirt traps, reducing maintenance and extending longevity beyond conventional joints.

UNSTOPPABLE PERFORMANCE

The 440NX is lightweight and easy-to-use, leaving floors clean, dry, safe and streak-free, while reducing labor costs by 70% and water use by 80%.

HIGHLIGHTS

- Up to 80 mins Runtime
- 1-Hour Fast Charge
- NX300 36 V Lithium Power
- One Fits All Battery
- Made Using Minimum
- 20% Recycled Plastic

SPECIFICATIONS

Runtime	Up to 80 mins
Tank Capacity	0.6 gal.
Recovery Tank	0.8 gal.
Charge Time	1hr-80%
Motor	100 W
Brush Speed	140 rpm

244NX IS NOW

TencTec

Brushes last 20x longer than standard brushes hence saving cost and driving improved cleaning results by 47%.

SUSTAINABLE COMMITMENT

Innovating for a Sustainable Tomorrow

At NaceCare, we design durable, efficient products that reduce waste and conserve resources. Our commitment to sustainability extends through every solution and the support we provide.
